

Print Request for Preprints

General information about the preprint:

Title:

Author(s):

Please specify the address(es) to be used on the preprint's title page.

same as given on the preprint

the following:

No. of author's copies:

(default 20)

Please do not forget to send the pdf file, the T_EX file, and all styles and macros needed to the following e-mail address:

`preprint@mpim-bonn.mpg.de`

Please put the completed and signed sheet in the orange labelled "Preprints" mailbox in the foyer.

Please sign the following statement:

I agree that the preprint may be made accessible to other guests at the MPI and to the public. I accept that the above cited preprint may be distributed to other libraries having an exchange agreement with the MPI's library. This explicitly includes the distribution in electronic form in the World Wide Web.

We need this form to be completed due to German legal regulations.

We are sorry that without accepting the statement we cannot print any preprint.
