

HOW TO FIND E-BOOKS

OPAC

The OPAC contains information about **all print books** and **AMS** and **EMS e-books**. Your OPAC search **will automatically include the results** from [MPG.eBooks](#). These results are highlighted in blue at the bottom of the results page.

Print books sometimes are linked to the eBook, check if an external link is listed in the full view of record. Examples from OPAC:

AMS title

#	✓	✗	Autor	Titel	Jahr	Signatur	Exemplare
1	<input type="checkbox"/>	<input type="checkbox"/>	Lario, Joan-Carles [Hrsg.]	Number theory related to modular curves	2018	CONM 701	<input checked="" type="checkbox"/> Bestand
2	<input type="checkbox"/>	<input type="checkbox"/>	Lario, Joan-Carles [editor]	Number theory related to modular curves [E-Book]	[2018]	E-Book	

Random title

also found **1 records** in the E-Books-Catalog!

MATHSCINET

- MR1175627** Reviewed [Faltings, Gerd; Wüstholz, Gisbert; Grunewald, Fritz; Schappacher, Norbert; Stuhler, Ulrich](#)
Rational points. Third edition. Papers from the seminar held at the Max-Planck-Institut für Mathematik, Bonn/Wuppertal, 1983/1984. With an appendix by Wüstholz. [Aspects of Mathematics, E6. Friedr. Vieweg & Sohn, Braunschweig, 1992. x+311 pp. ISBN: 3-528-28593-1 \(Reviewer: Kenneth A. Ribet\) 11G35 \(11D41 14C17 14G05 14G40\)](#)
- [Review PDF](#) | [Clipboard](#) | Series **Book** | 17 Citations
- 

There might be a **direct Book-link** and/or linking through **MPG-SFX-button**. Try both to be sure, AMS is not always consequent.

PUBLISHERS' WEBSITES

If MPIM has access to the full text, this is visible on individual publisher's official website. If you are **not sure should we have access to** a title or **find an interesting new title** that would be useful, talk to the librarian or send a suggestion for purchase to [library e-mail](#). For AMS eBooks make sure you use [the institutional website](#).

REMOTE ACCESS

If you accessing e-books outside the MPIM, remember to log into the MPIM network with your VPN client. If you do not have it yet, [contact IT-department](#).
