

The Max Planck Institute for Mathematics is looking for a

Research Assistant Outreach (m/f/d)

The position is intended for mathematicians who conduct research in one of the working areas of the Max Planck Institute for Mathematics and are actively involved in outreach aspects. Your tasks will include advancing your own research as well as establishing and developing outreach. We expect a high level of commitment and initiative in order to further increase the international visibility of the Max Planck Institute for Mathematics and its guest program through various measures, such as science communication and student activities, and thus attract the best mathematicians to the MPIM.

The position is initially limited to two years, with a view to permanent employment. A degree in mathematics (with doctorate), communication skills, creativity and a very good command of English are required. German language skills are expected in the long term.

We offer a very modern equipped workplace in the city of Bonn and an attractive environment with a very good working atmosphere. Remuneration is based on qualifications and professional experience, including all social benefits (e.g. company pension scheme, special bonus (Christmas bonus), etc.) in accordance with the regulations of the public service (TVöD Bund) up to pay group 14.

The Max Planck Society strives for gender equality and diversity. We welcome applications from all backgrounds. The Max Planck Society wishes to increase the number of women in those areas where they are underrepresented. Women are therefore explicitly encouraged to apply. Furthermore, the Max Planck Society is committed to increasing the number of employees with severe disabilities in its workforce. Applications from persons with severe disabilities are expressly desired.

We look forward to receiving your detailed application at <https://application.mpim-bonn.mpg.de/outreach> by October 31, 2023.

Applications sent by post will not be accepted and will be disposed of in accordance with data protection regulations.

If you have any questions, please do not hesitate to contact us by e-mail at outreach23@mpim-bonn.mpg.de.
