

Mathematics e-books

We have access to the following e-book series from the MPIM IP-Range:

American Mathematical Society (AMS)

[AMS/IP Studies in Advanced Mathematics](#): 1996 – 2012

[American Mathematical Society Translations: Series 2, volumes 1-234](#)

[CBMS Regional Conference Series in Mathematics](#): 1970 – 2020

[Colloquium Publications](#): 1905 – 2020

[Contemporary Mathematics](#): Current subscription (1980 –)

[Fields Institute Monographs](#): 1993 – 2011

[Graduate Studies in Mathematics](#): 1993 – 2023

[IAS/Park City Mathematics Series](#), volumes 1-28

[Mathematical Surveys and Monographs](#): 1943 – 2023

[Memoirs of the AMS](#): Current subscription (1950 –)

[Proceedings of Symposia in Pure Mathematics](#): 1959 – 2023

[Student Mathematical Library](#): 1999 – 2023

[University Lecture Series](#): 1989 – 2023

Banach Center Publications

[proceedings of selected conferences and seminars](#)

Cambridge University Press

[Cambridge Tracts in Mathematics](#)

[London Mathematical Society Lecture Notes series](#)

[New Mathematical Monographs](#)

Elsevier eBook collection

[mathematics](#) – Access to selected titles

European Mathematical Society

[EMS eBooks](#)

Princeton University Press

[Annals of Mathematics Studies](#)

Société Mathématique France

[Astérisque](#) (most current issues); older issues from [Numdam](#) (1973 – 2010)

[Mémoires](#) de la SMF

Springer

[Concise Encyclopedia of Supersymmetry](#)

[Encyclopaedia of Mathematics](#) by Springer and EMS

[Lecture Notes in Mathematics](#) 1964-

[Springer eBooks](#) 1842-

If you have problems accessing any titles or want to suggest a new e-book to be purchased, contact the librarian [Anu Hirvonen](#)
