

Consent to publish a preprint

We need this form to be completed due to German legal regulations. We are sorry that without accepting the statement we cannot publish or print any preprint.

Preprint details

Title _____

Author(s) _____

Please specify the address(es) to be used on the preprint's title page:

same as given on the preprint

the following:

Submission

Please do not forget to send the pdf file, the L^AT_EX file(s), and all styles and macros needed to the following e-mail address:

`preprint@mpim-bonn.mpg.de`

Please put the completed and signed sheet in the orange labelled "Preprints" mailbox in the foyer or email a scanned copy together with your submission.

Consent to publish & distribute

I agree that the preprint may be made accessible to other guests at the MPI and to the public. I accept that the above cited preprint may be distributed to other libraries having an exchange agreement with the MPI's library. This explicitly includes the distribution in electronic form in the World Wide Web.
